## An Event That Will Long Be "Remembered"

Fifty days after observing our *Passover and Feast of Unleavened Bread 6007*, we returned to sunny *Hutchinson Island* in Stuart, Florida to celebrate our *Twenty-Fourth*

*Annual Feast of Weeks*: the conclusion of the cycle that began at Passover.

For "seven" whole days, we entered into the gates of *יהוה* with pure thanksgiving, and came into His courts with genuine praise. And that was not all: we also served the Lord,

*יהוה*, with much gladness, and came before His presence with joyful singing.

In fact, we had such an incredibly "good" time during our *Feast of Weeks 6007* celebration, we just had

to go back and recapture some of the most cherishable and memorable highlights of this event for those of you who were not in attendance.

If you are one that loves to "joy" ride, then it will do your heart some good to take a ride with us through the next pages.

# Preparing For Rulership

As always, our nightly classes on ***“Preparing for Rulership”*** were bursting with the knowledge we need to make us *independent* and *self-sufficient* rulers of the planet earth--the land that belongs to us.

One of the many things brought out in the message was that יהוה is saying the same to us today as He said to our forefather, Abraham: In the days of old, He appeared unto Abraham, and said, *“Walk before Me and be thou perfect”* (Genesis 17:1). The reading of Hebrews, Chapter 13, verse 8 brought out that--*“יהוה the same yesterday, and to day, and for ever.”* Given that understanding, it was made very clear to us that since יהוה is the same God as He was yesterday when He walked with Abraham, then He is demanding us--the seed of Abraham--to be ***perfect*** today.

However, it was brought to our attention that in order for us to be “perfect,” we must take on a *“spiritual”* mind. We learned that a *spiritual* minded person is one who has the

Spirit of יהוה dwelling in him. The answer to the question, “How do you get the Spirit of יהוה to dwell in you?” was found in Matthew, Chapter 11, verse 29, which made it plain to see that we must “learn” of יהוה, and then “accept” what we learn of Him as absolute ***“truth.”***

It was strongly emphasized that when we “accept” the word of יהוה as truth, and His Spirit dwells continually in us, then the carnal mind will have no choice but to flee from us. We acknowledged that once we rid ourselves of the carnal mind, we shall ultimately enter into a “perfect” state of consciousness, thus, culminating into being “at one” with יהוה.

The concluding message was that after we enter into this state of “perfection” and “oneness” with יהוה, absolutely nothing shall be restrained from us that we have imagined to do, and that includes ruling the planet earth as well as regaining possession of the land that rightfully belongs to us--the whole planet earth.

***“Feast of Weeks is a celebration about the fact that we have land.”***

During *Feast of Weeks 6007*, we had an adventure of a lifetime, as we switched lanes coasting through previous and present revelations. So, please sit back, buckle up, and enjoy this ride down “memory lane.”

### **THE BLOOD OF THE LAMB: A NARRATIVE OF PREPARING FOR RULERSHIP**

All road signs in this narrative pointed to the fact that יהוה בן יהוה is the Lawgiver. It was made clear that to “rule” with בן יהוה in the “theocratic” government of יהוה, we *must* obey “all” of His commandments, which will enable us to be used by יהוה בן יהוה to help bring “all” the foundations of the earth back on course and in harmony with the Creator, יהוה. However, we were cautioned that before all of this occurs, a war in heaven will take place between Michael and his angels and the dragon. This war, we were told, will involve litigation in a court of law that will result from Judas persuading at least two young women to make false allegations against יהוה בן יהוה for some “alleged” acts of sexual promiscuity. However,

Michael, an attorney (who is the same as Joseph of Arimathaea) will beg for and win the release of בן יהוה יהוה and will place Him in a “new” tomb--with the rich--to never again be prosecuted in a court of law.

### **THY KINGDOM COME, PART 1**

Everything was put on cruise control in deducing Daniel 9:24. On center stage was the duties of “seventy elders” in the Kingdom of יהוה, called the Holy of Holies--a place for the exclusive use of בן יהוה יהוה. It was noted that in His kingdom, His seventy chosen elders shall act on His behalf in carrying out His “divine” will. To jump start their mission, they will take His “yoke” upon them and learn of Him. It was explained that the road map to acceptable behavior in New Jerusalem--Heaven--will be the commandments, judgments, laws, and statutes of יהוה. The good news was that the seventy elders shall teach fairness, show impartiality, and demand honesty, which will set us free from self-interest, prejudice, and favoritism, subsequently, leading to a place of good fortune, perfect wealth, and good success for all.

### **THE FINAL BATTLE: A SUMMATION OF JUDGMENT SHALL SIT**

We were taken on a “literary” journey through the summation of Daniel 7:7-8. On our exploratory venture, we found out that the “*ten horns*” described in this Scripture are actually ten rulers of extraordinary power and authority, and the “*little*” horn that came up among them is the President of the United States, George W. Bush. It was determined that his official purpose is to defeat three leaders in war, remove them from office, take them from their usual surroundings, even compelling them to leave their countries and, subsequently, supplant a totally different government in their place. Substantive information was presented to show that he used the guise of terrorism and weapons of mass destruction to go to war with Iraq that he might seize control of their oil resources and to fulfill a vow he made, which was to return oil resources to the men who “appointed” him to office. A flashing red light signaled that his end shall come when he stands up against the Prince of princes, יהוה בן יהוה, who shall destroy him “without any active participation or cooperation of any outside sources, forces, or individuals.

**THE APOCALYPSE:  
FROM THE FIRST HORSE-  
MAN TO THE GREAT  
EARTHQUAKE**

We had to put on our seat belts for the breaking open of these seals. When the “first seal” was broken, it revealed the **white horse** to be the United States of America, and he that sat upon this horse was none other than President George W. Bush who was given the charge to attend the ministrations of the Pope and to spy on **בן יהוה**--the Messiah, who has come to expose all the false teachings of Jesus as Christ. The **red horse** discloses that the hierarchy of the Roman Catholic Church is the guiding force behind the universal overthrow of the existing social and political order. The **black horse** makes it known that the U.S. government shall launch a full-scale media campaign to stop us from publishing the word of **יהוה**, saying that our Bible interpretations are a threat to national security. The **pale horse** foretells of a **mole** that has infiltrated and assimilated himself into our Nation. His purpose is to level “false” allegations against The Nation of **יהוה**. The fifth seal revealed some **souls under the altar that were slain** for publishing the word of **יהוה**.

However, those who shall be slain will be given “white” robes, signifying victory and superiority.

**THE SEVEN SEALS OF  
THE APOCALYPSE, PART 7**

We crossed over the double line to get to the opening of the **sixth seal** in Revelation 6:12-13. It told of a **great commotion** when people who are not in the armed or police forces will organize an attempt to defeat their governments and take control of their countries by violence, sedition, and fighting in the streets. The magnitude of this commotion shall be felt by all nations, and its seismic activity shall be accompanied by natural disasters of catastrophic proportions, resulting in a great loss of life and widespread damage. The closing down of partnerships and corporations worldwide shall take place and, ultimately, the complete failure of all financial transactions. The aftershocks will leave no jobs for the head and the tail. In the interim, the stars whom the world worship--Kobe Bryant, Michael Jackson, Martha Stewart, to name a few--are falling to the earth, which means they are being brought low and are losing their status, reputation, and dignity in the eyes of the

public.

**THE BEAST: THE SUMMARY OF THE SEVEN HEADS AND TEN HORNS**

A rest stop was required to digest all the hidden mysteries about the **beast** rising up out of the **sea**, **seven heads**, **ten horns**, **ten crowns**, and **blasphemy**. We found out that the “**sea**” was actually a cryptic word for *See of Rome or the Roman Catholic Church*, whose supreme head, the Pope, gave power unto the beast, President of the United States, George W. Bush, to establish the one world religion of Christianity, to be a watchman of **בן יהוה** and the Nation of **יהוה**. The **seven heads** were found to be seven heads of governments or “G7”--the most industrialized nations in the world, who will eventually cause all nations to either conform to their One World Alliance or be destroyed economically. The **ten horns** symbolized a crucial “event”--another terrorist attack on America which will involve a jet plane discharging nuclear missiles from the air over an arena where people have gathered for amusement. Indicative of the **Ten crowns** were ten sovereign nations in the Middle East or the Arabian

Peninsula that President Bush shall send troops to go to war against that he might take away their rich resources of petroleum, remove the Islamic religion and replace it with Christianity. After this happens, he will then come after the Nation of יהוה to discredit us in the eyes of the world and to shut down our publishing entity.

### **ANOTHER BEAST COMING UP OUT OF THE EARTH, PART 2**

Shifting gears from Revelation 13:12 to Verse 13 led us straight to the fact that Dr. Condoleezza Rice will use all of the power given her by the first beast, President Bush, to initiate a number of events that will bring about the establishment of the One World Government. To successfully bring this about, it was revealed that she will be provided the financial assistance along with large explosive projectiles bombs to assist her in carrying out a number of events that will take place in rapid succession. One such *event* she will be concerned with regarding international security will be another terrorist attack, which will take place at a sports competition: resulting in a great loss of life, damage, and hardship upon

the people.

### **GO TO THE ANT, PART 19**

We made a “right” turn and ended up in this seminar. The first thing we heard was that what happened in ancient Babylon is taking place in America and the world today. It was brought to our attention that the ancient Babylon dynasty was built upon a creed, a system, and a science based on the skill and knowledge of how to distort, pervert, and alter the truth of God, יהוה, which caused people to take on spiritual deformity. America stands as a classic monument of the prophetic deception of Babylon. Babylonian was defined as “Roman Catholic.” We found out that the President, acting on orders from the Pope, is globalizing all nations under the revived golden image beneath one satanic order--the Christian religion. It was revealed that all people, nations, and languages who do not align themselves with modern-day Nebuchadnezzar, President Bush, and who do not consent to worship the golden image--its deity, Jesus as Christ-- shall be considered a dangerous threat to the international community; and will be thrown into the midst of a burning fiery furnace--concen-

tration camps located in ten selected regions throughout America.

### **CRITIQUING TODAY'S FILMS: FAMILY STUDY, PART 3**

In this family session we reviewed the cryptic movie *Jack and the Bean Stalk*. This film was an esoteric portrayal of Esau's--**Jack's**--legendary heist that robbed Israel--**the giant**--of the knowledge of keeping the laws of יהוה, which brought us harmony and prosperity. This secret information--**beans**--that Esau obtained has caused him to *stalk* away with exaggerated haughtiness. However, when Esau's curses for taking our knowledge become evident to him, he will do his part in restoring prosperity and harmony back to Israel.

As you can see, the Spirit of יהוה truly dwelt among His children in our daily seminars. If you want to continue this joy ride, then you must order these seminars in cassette or CD form from:

## “Pray Without Ceasing”

The most phenomenal means of communication that we have with our God, יהוה, is through the “**power of prayer.**” By **prayer**, we are able to make a petition to יהוה, make a verbal confession, seek repentance, ask for forgiveness, express joy and thanks, rejoice in salvation, and much more. It is for these reasons that we introduce to you an in-depth study of the law in 1 Thessalonians 5:17, which reads, “**Pray without ceasing.**”

To gain an understanding of this law, we must first make it clear in our minds as to what the word **pray** really means, especially since **prayer** is something that we must do without ceasing.

In considering that thought, we consulted the *Merriam Webster's Eleventh Collegiate Dictionary*, Computer Software, copyright 2003, which describes **pray** as, “to address God [יהוה] with supplication.” In the same reference source, **address** means “to speak directly to.” These facts definitively substantiate that to **pray** to יהוה is in actuality to speak directly to יהוה with supplication. What is supplication?

In accordance with *The Cassell Concise Dictionary*, copyright 1998, on page 1481, **supplicate**, the verb of **supplication**, is defined as “to ask for earnestly and humbly.” This information confirms irrefutably that prayer is our most instrumental medium of communication with יהוה, in that it allows us to speak “directly” to Him as well as to ask “personally” for whatever we have need of or desire for in an earnest and humble fashion.

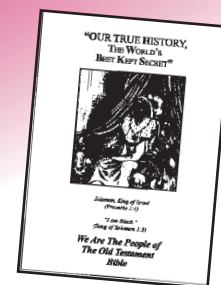

It is decreed in Isaiah 65:24 that as we begin to fully exercise the power of prayer without ceasing, “it will come to pass that even before we **call**, יהוה will **answer**; and while we are yet **speaking**, יהוה will **hear**.”

In our next segment, we shall begin to decipher what “**ask**” of יהוה means and its relationship to the law in 1 Thessalonians 5:17: “**pray without ceasing.**”

### The Abraham Foundation

Go to the ant, thou sluggard; consider her ways, and be wise: Which having no guide, overseer, or ruler, Provideth her meat in the summer, and gathereth her food in the harvest (Proverbs 6:6-8). He that gathereth in summer is a wise son: but he that sleepeth in harvest is a son that causeth shame (Proverbs 10:5). We thank יהוה for the wise who continue to support the *Abraham Foundation* that there may be meat in our storehouse for the "winter." May יהוה forever bless the work of your hands.
