“Music From Feast of Tabernacles 6006 Is Still ‘*Ring*ing’ In Our Heads”

Thanks to **בן יהוה יהוה**, who is the guiding *Light of our Salvation*, we were blessed once again to assemble in the place where **יהוה** chose to place His name to celebrate the last of our three great annual festivals for the solar year of 6006. Our theme for **Feast of Tabernacles 6006**, “*O Love The Lord, יהוה בן יהוה*,” *All Ye His Saints*,” was truly manifested by all who traveled from far and near to keep the commandment of **יהוה**.

Although **Feast of Tabernacles 6006** was the last of our High Holy Days commemorated for the solar year 6006, we ended on such a

“spiritual high” that the *music* from the wisdom and knowledge shared in our daily seminars and nightly classes is still “ringing” in our heads.

In fact, the *music* heard in our nightly classes and daily seminars was unlike anything that we had ever experienced before. Some of the most “skilled” musicians in the interpretation of the word of **יהוה** came from all over to present “spiritual” compositions from the Books of Daniel, Matthew, and Revelation. Their musical “selections” included such *key* instruments in the interpretation of the Bible like the *psaltery* of perception, the *timbrel* of intuition,

the *harp* of understanding, and the *trumpet* of warning.

No matter what type of *music* you like to listen to, **Feast of Tabernacles 6006** had it all! With such a variety of *spiritual* music, who could be without the majestic collection of

“*Preparing For Rulership*,” or miss out on such great compositions as, *Belshazzar: The Ram and The He Goat, Judgment Shall Sit, Behold A White Cloud, The Sign of The Times: The Seven Trumpets*, and many more (see page 3). This is why if you were not in

attendance at **Feast of Tabernacles 6006**, we have made available just for you-- in cassette tape and CD form-- the nightly classes and daily seminars. You may order them TODAY from P.E.E.S.S. Foundation!

Preparing For Rulership

We had an invitation to *sup* from the Divine Mind of יהוה בן יהוה for eight days at the **Feast of Tabernacles 6006** in our nightly classes. Our main entrée, which we deliciously enjoyed, was “*Preparing For Rulership*.”

We “quickly” consumed our *living bread*, which was a special message on **servicing יהוה** and **ethics**. However, before breaking bread, our message confirmed that we are, indeed, in the middle of a SPIRITUAL WAR; and that as a part of this war, we are required to make a choice as to whom we want to serve: יהוה or the Devil.

We *dined* with a con-

scious mind knowing that we have *freedom of choice* and *freedom of will* to serve whomever we choose, and with each choice comes a reward: one is eternal life, and the other is eternal damnation.

We found great *sustenance* in knowing that those of us who choose to serve יהוה and enjoy eternal life must have **ethics**, which will also teach us respect for the laws of יהוה and how to conduct ourselves according to the laws of יהוה in order to receive His blessings.

After filling up on this hearty *spiritual* meal, instilled in us was the principle that when we govern our lives according to ethical behavior and MEDITATE in the laws of

יהוה day and night as found in Joshua 1:8, we shall prosper, enjoy good success, and have perfect peace of mind.

By the last day of the feast, we were truly able to say that we *ate to the full* in understanding that serving יהוה demands ethics from us, as well as, adherence to the laws of יהוה. Our *cups were overflowing* with wisdom when we found out that when we just follow the prescribed *formula* of יהוה, He will make us *rulers* over the planet Earth.

GREAT COMPOSITIONS OF PROPHECY UNFOLDED IN OUR DAILY SEMINARS

We were truly swept off our feet, as the spirit of יהוה moved through each messenger to unfold prophetic *compositions* in all our daily seminars. So that you can share in our *rhapsodic* experience, here is what was presented this past feast.

Judgment Shall Sit, Part 3

This speaker candidly leaked top-secret information that President George W. Bush is causing craft to prosper in his hand by allowing it to appear that he needed a mandate from the United Nations to declare war against Iraq. Under the pretext of finding “weapons of mass destruction,” his real motive is to turn over Iraq’s oil resources to the men of power who appointed him to office. Beyond this subterfuge, President Bush’s sworn agreement into office binds him to open his mouth against the Most High, יהוה, to blaspheme יהוה בן יהוה and His saints. By glorifying his

war tactics, President Bush shall cause others to pay honor to, glorify and idolize him, ultimately blaspheming יהוה בן יהוה and falsely declaring himself a god.

Belshazzar: The Ram and The He Goat, Part 1

With power-packed punches, the facts presented in this seminar foretold of fabricated intelligence reports that will be circulated against Iran. In response to these reports, their ruler shall set up an arrangement of military troops to keep watch and put up resistance to any hostile military action executed against Iran. In addition, the “ram” (a euphemism for Syria) would give strong support to Iran regarding a device to control nuclear chain reaction. For this reason, Syria, along with two other powers--the Medes and Persians--will become great, for their provision of troops in Iran will make such a strong military resistance that

no armed forces would be able to stand against them.

The Rising of The Beast Out of The Sea, Part 5

The groundbreaking truths in this revelation confirmed that President George W. Bush, euphemistically called “the beast,” has *risen* up against the Nation of יהוה so as to cause the public to believe that we are guilty of perverting the truth. With the *heads* of the FBI, CIA, and National Security Council, President George W. Bush shall strategically construct a plot to spread false information to the public about the moral message being published by P.E.E.S.S. Foundation. By using high technology and devised fake videotapes, photographs, etc. of people from within our nation, and real historical events (such as our feasts), these principalities and powers will attempt to demoralize the Nation of יהוה in public view.

The Seven Seals of The Apocalypse, Part 5

This harbinger of the endtime outlined a period of time when the Executive Branch of the United States government will order that media smear campaigns be launched against us, the Nation of יהוה, to discredit our written publications and prophecies, as well as to incite hatred against us in the public. Because the media will use such slanderous, damaging, and vilifying publicity, they will cause some people to deviate from the truth, as revealed to us by יהוה, and will lead them into error. For this reason, we will use communication tools to make known our requests for יהוה to execute quick judgment against them for their campaign to lower our credibility.

The Sign of The Times: The Seven Trumpets, Part 2

This interpreter foretold an omen of divine *judgment* that will occur after the sounding of the first trumpet, when יהוה will release His natural forces--lightning, hurricanes, tornados, and fires. All these

plagues will soon come upon a descendant of Cain--who is presently a *commander in chief*--his military and every allied nation that supports him in the wrong doings he will have committed against יהוה and His servants. These natural forces will totally devastate the livelihood of all these nations. And at that time, this wicked ruler, being granted absolute emergency power, will announce to the world a new way of communicating information, on behalf of the government, that will forcibly drive out any people that refuse to stand with him.

Go To The Ant, Part 17

This spiritual archaeologist unearthed documented proof why the dragon has come down upon the earth with great wrath: because the harvest season of our Provider, יהוה בן יהוה, is soon underway. Presently, יהוה בן יהוה has permitted two kinds of seeds (people) to grow together, until harvest time, when He will call for His reapers--special prophets who have the gift of profound moral insight--to gather the

seeds (people) that have produced fruits consistent with the *method* of study mandated by יהוה בן יהוה, and those people who did not. Once the harvest of יהוה בן יהוה is executed, it will signal to the dragon that judgment day is at hand.

Behold A White Cloud, Part 1

The *fruit* from this special prophet exposed the *method* that יהוה בן יהוה will use to clean His household, the Nation of יהוה. Until יהוה בן יהוה causes a separation, two distinctly different groups will remain in His household--"a" white cloud and "the" dark cloud. However, יהוה בן יהוה shall divide these groups with the Ten Step Study Method, which "a" *white cloud*--those who are mild, gentle, disarmed, and without evil in intent--can grasp, while "the" *dark cloud* cannot, as they lack spiritual understanding. Therefore, the dark cloud will fall off, die out, and harden their heart against "a" white cloud, and being without spiritual enlightenment, will be shut out of the mar-

riage supper of the Lamb, יהוה בן יהוה.

*יהוה בן יהוה Coming In
The Clouds of Heaven With
“Power” and “Great” Glory,
Part 3*

This fiery messenger revealed that יהוה has ordained some ultra-sophisticated, White gentile people from the Skull and Bones secret society to work as a “wheel in the middle of a wheel”--a shadow government--to set up standard operating procedures to return all power, strength, resources, wealth, and great forces to יהוה בן יהוה. These “chief” officers of Skull and Bones have the responsibility of facilitating the shifting of power to יהוה בן יהוה, by setting up the One World Order on His behalf. To execute this “divine” plan, the shadow government, using FEMA, shall enact executive orders that will suspend the Constitution, and ensure that the set up of the kingdom of יהוה on earth is exacted in the safest and most orderly fashion.

*The Mysteries of The Great
Image: The Stone That
Became A Great Mountain,
Part 4*

We received great enlightenment from this scholar who divulged the divine “orders” of the *stone*--the saints of יהוה בן יהוה. As we, the stone, increase in wisdom, knowledge, and understanding of the word of יהוה, we are gradually becoming conscious of our divine mission to help יהוה בן יהוה establish the Kingdom of יהוה on earth, by our unwavering obedience to the laws of יהוה. Using this standard, we can qualify ourselves as divinely appointed heirs of יהוה בן יהוה, in the Kingdom of יהוה, with the exclusive and legal right to become rulers who are *great* in the sight of all nations.

*A Message For Law Keepers:
Preparing For Rulership,
Part 6*

The impact delivered by this saint alerted us that יהוה בן יהוה is bringing forth selected leaders, executives, administrators, and business owners

from this society--the “man child”-- who shall help rule all nations with a rod of iron. However, before they can help rule all nations, they must first be indoctrinated with the knowledge of יהוה, which will signify the **end** of the dragon’s wicked rulership. Therefore, the dragon and his angels--the media, government, and legislature--have sought to make war with יהוה בן יהוה and his seed --the “man child.” However, discreet supporters of יהוה בן יהוה and the Nation of יהוה, who are unknown to us, will be more than willing to assist politically, educationally, economically, socially, and spiritually as this war heats up.

Withhold not good from them to whom it is due, when it is in the power of thine hand to do it. Say not unto thy neighbour, Go, and come again, and to morrow I will give; when thou hast it by thee (Proverbs 3:27-28). As our battle is not yet finished, we are most thankful to all of our loyal supporters, who have not withheld your contributions to The Abraham Foundation. May יהוה forever bless and keep you.
