# THE KEY TO HEAVEN: CHARITY

To be generous is to be free from meanness. To be free from meanness is to be free from a low-grade or inferior character. To be free from an inferior character, you have to be right; and to be right you must be good. In order to be good, you must be reliable.

Reliable means someone can depend on you; you are dependable. Reliable means someone can count on you: When you say you are going to do something, you are known to do it—without an excuse. You will get it done whatever you pledged to do: You can always be counted on.

Ethics teaches the rightness and wrongness of actions dealing with human beings. It also deals with the goodness and badness of motives, and it deals with the end of such actions. That is ethics. . . . If ethics were taught in the school system, then all of the students would grow up knowing the difference between ethical and unethical, good and bad, right and wrong. # A SPECIAL MESSAGE FROM יהוה בן יהוה

## THE KEY TO HEAVEN: CHARITY

*"You must have integrity. Integrity means adherence to moral and ethical principles. Let integrity—moral principles, become a part of you: Let it stick to you."*

Page 59

*"The only way we can truly appreciate the positive is that we understand the negative of the same word, if we were already positive, I would not have to address the negative."*

Page 68

*"There can be no peace when one of you is speaking words of peace to the other while having mischief in the back of your mind. It is impossible to have peace when one of you is devious with the other."*

Page 69

It is a blessing to sit down with your family and discuss what "good" is. Good overrides your religion and your politics.

I come to bear witness on the Earth, inviting all "good" people to come follow Me. All I am going to teach you is how to be good, and how to be holy—something you have never learned in your life. In Matthew, Chapter 5, verse 48, it says:

*"Be ye therefore perfect, even as your Father which is in Heaven is perfect."*

No school you have ever attended teaches you how to qualify to be with your Father which is in Heaven. No school you have ever attended in all your life has taught you and qualified you to enter this Great City, Holy Jerusalem, which is to descend out of Heaven owned by יהוה and has been given to you from יהוה Himself.

The fact that I am about to give you the key to Heaven—the key to life means you will have to take the key and use it. You are going to have to open the door and walk in, and "Be" charitable.

I am here to qualify "ALL" who want to live in the Great City, Holy Jerusalem, to be able to do so. You have to put on charity.

Charity is to put on generosity. And generosity means you have to be free from being mean, which means you have to be free from an inferior quality, free from an inferior grade, and free from an inferior character.

I have come to the Earth looking for the "agreeable" people. The agreeable people are "good" people. I am calling all good men and women to come and join with Me. If you believe in "good," and I believe in "good," then nothing should be able to separate us.

Will you allow your claim to nationality to supersede your goodness, and My goodness? Will you let such trivia prevent you from joining with Me, and being good regardless of your nationality and My nationality?

I am here to tell you unequivocally that I am going to gather all of Israel that is scattered in all countries. The thing you are going to have to live with is that there are men who look just like a Chinaman who is Israel. That is tough. You will have to accept that. There are men that look like the Japanese who are Israel. He is just as much Israel as you, and believes in "good," too.

There are men in Africa, of various African tribes, who are Israel—scattered in those tribes—that are good men, and I am going to get them. And there are men and women that are living on various islands who are good men and women, and they are Israel. Although they may think they are Bahamian, and they may think they are Guyanese, or they may think they are Belize, or they may think they are Cuban, but they are none of that—that is superficial.

I am here to penetrate all those superficial and false barriers of religion, politics, sociology, education, social status—everything which keeps us apart. Our righteousness will exalt us; because "righteousness" exalteth a nation: but sin is a reproach to any people. So I am calling for all good people to help build the Kingdom of Good. Will you join Me?

# PENNED BY THE MIGHTY GOD

## MORALITY

Once I open your eyes to what morality is, and you study "moral," it is over. No one will be able to hide from you. Up to now, people could hide. You probably judged morality on someone's sexual behavior only, or probably on their use of dope or their use of profanity—simple things. That was your sense of morality—whether a person was smoking, drinking alcohol, using drugs, lying, and stealing. But there is so much more.

As you study and learn of Me, you will discover that the definitions of moral will tell you that you are going to be studying for a very "long" time. You would never dream that such a small word could be so big. Moral behavior is a big word. You cannot read about moral behavior, you must memorize it, absorb it—take it into your mind—and make it a part of your nature. It must be natural to you.

When you are moral, you do

not care who steals. Moral behavior is honesty. If everybody

around you is stealing, you will never join, because you will be honest—showing forth moral behavior. You will never join the pack: The pack is always wrong. Have you ever noticed that those who will be saved are the remnant? This means that the masses of the people will choose immorality.

You have been ignorant about moral behavior. So from now on, you will be "conscious" of moral behavior.

Immoral rulers do not teach you morality, which would make you a law keeper. You are taught immorality so you will forever be a victim of their lawyers, and their judges, and their prison system, and their jail system. Everybody in America can be trapped on immorality, because that is all they know.

I AM THE ONLY MAN ON THE FACE OF THE EARTH THAT HAS EVER SET UP UNIVERSITIES ACROSS AMERICA

TO CHANGE OUR BEHAVIOR FROM IMMORAL TO **MORAL**.

Invite your family and friends to watch *The Universe of יהוה*, DVDs. Watching the *Universe of יהוה* DVDs is like being in school. Get a degree in יהוה. If they ask you what the age group is, you tell them there is no particular age group. What is the tuition? The tuition is that you watch with a sincere mind to be the best.

I have set up universities all across America via *The Universe of יהוה* television show. By watching these programs or DVDs, you can learn how to be a god and how to rule the world forever in righteousness.

Never forget that if you want to remain in the Kingdom of יהוה, you must exhibit moral behavior. In order to rule the world, you "must" exhibit royal and moral behavior. In order to rule the world, you "must" be godly—meaning godlike. I am the Mighty God; and if you want to be a god, then you "must" have moral behavior. There is no escaping that fact.

# BECOME A MEMBER OF THE ROYAL PRIESTHOOD!

PART 2

In our last article we showed that the role of the Royal Priesthood is to serve as a royal order relating to a particular religious belief: showing forth the praises of יהוה בן יהוה. This order places emphasis on its priestly powers as essential interposers between יהוה and man in order to harmonize them in divine unity.

We also shared that this particular order is most needed because it shall make right, repair, and correct all the problems of the world by adhering to and following the perfect, established laws of יהוה and by teaching the world how to be heavenly-minded, thus leading all nations in producing a moral society.

And lastly, we passed on the invitation from יהוה בן יהוה that all people of Earth are welcome to follow Him and become a member of the Royal Priesthood. So do you want to become a member of this illustrious order?

Well, in this article we will show you how to become a member of the Royal Priesthood and just how important joining this select group could become to your life today.

In the transcript *The Royal Priesthood: You Must Be Born Again*, on page 20, יהוה בן יהוה says that "the only ones that shall enter the Kingdom of יהוה are those that 'do' the will of My Father, יהוה, which is in Heaven." This statement clearly conveys that the qualifications for becoming a member of the Royal Priesthood are the same as what is required to enter the Kingdom of Heaven: "doing the will of יהוה."

**Will** is recorded in *The New Strong's*

*Exhaustive Concordance of the Bible*, copyright 1990, in the Greek Dictionary of the New Testament, under reference number 2307, as "decree." In *The New Comprehensive A-Z Crossword Dictionary*, copyright 1995, on page 312, **decree** is described as "law." **Law** in the *Reader's Digest Oxford Complete Wordfinder*, copyright 1996, on page 847, is defined as the "divine commandments as expressed in the Bible."

Therefore, only those who keep the divine commandments, judgments, laws, and statutes of יהוה as expressed in the King James Version of the Holy Bible, will be qualified and able to become an exclusive member of the Royal Priesthood and to enter into the Kingdom of Heaven.

But entering the Kingdom of Heaven—while essential, and to be sought first above all else (Matthew 6:33)—is not the only reason joining the Royal Priesthood should become most important to your life today. We are living in the last days of this world and are witnessing the dawning of the great tribulation (Matthew 24:21).

And during this time, the period spoken of in Isaiah 19:15 shall be manifested:

*"Neither shall there be any work for Egypt, which the head or tail,*

*branch or rush may do."*

Yes, there will be no jobs, no legitimate means of income. In fact, over three years ago, on March 6, 2016, it was reported at *usatoday.com* that "demand for many mid-low skilled, primarily middle class positions is expected to rapidly decline. The Bureau of Labor Statistics (BLS) projects a loss of hundreds of thousands of such jobs in the coming years due to outsourcing and the development of new technology."

And no jobs means no money, no money spells no food. How are you going to eat with no jobs in modern-day Egypt (America)? Well, qualifying yourself to become a member of the Royal Priesthood, and striving to keep the laws of יהוה, is how. Matthew 5:6 enlightens us: *"Blessed are they which do hunger and thirst after righteousness: for they shall be filled"*; filled both spiritually and physically.

Are you beginning to understand why becoming a member of the Royal Priesthood is most important to your life today? Hence, there's much more to discover, which we will continue to unveil in part three of this series. So be on the watch for our next article, wherein we shall discuss how the Royal Priesthood will be blessed with bounty.

The tribe of Judah; especially the so-called Black people of America, descendants of slaves, are the only people walking around on the Earth today without the knowledge of their "true" history, language, culture, land, name, and God. The world's best kept secret is that we are the lost sheep of the house of Israel, who were prophesied to be taken captive, brought to a strange land, America, scattered among all nations, and afflicted for 400 years. יהוה בן יהוה came and exposed this secret to the fullest degree, and the facts are all written in His book, *Our True History, The World's Best Kept Secret*.

# THE VERB SERIES: WAIT

## PART THREE

Let's begin the last installment of this series with a brief review of part two. We have already explained that it was יהוה בן יהוה, the Master Teacher, who is come to the so-called Black man of America—the present and historical tribe of Judah, Hebrew Israelites, descendants of America's slaves—to disclose the true significance of our relationship with His Father, יהוה, and to impress upon us the importance of mastering English, the strange tongue of our oppressors.

We also established that it is necessary to learn a little bit of our native language, Hebrew, to comprehend the literal, figurative, metaphorical, and allegorical nature of the commandments, judgments, laws, and statutes of יהוה found in the King James Version of the Holy Bible.

In addition, we demonstrated through the use of the word *wait*, the different connotations, interpretations, and descriptive nuances of this English verb that stem from an understanding of the application of its Hebrew roots through the Scriptures.

In part three of this series we will continue to explore "wait" and determine why learning and mastering English could very well save you and your family from apocalyptic wrath in the Day of the Lord, יהוה בן יהוה: The Day of Judgment.

To accomplish this task, we shall study: ". . . research all the facts about this [word-wait], seek to understand the nature of this [word-wait], and then apply all of this information to better our lives individually and our Nation as a whole" (*How To Study The Bible*, copyright 1993, page 13).

Now let us add to some of the facts we have already learned about wait. We have established two Hebrew words—**damam** and **qava[h]**—that translated into English as wait, so at this time we will add a third. **Chakah** (khaw-kaw') spelled in Hebrew from right to left, חכה (cheth, kaph, hey) also translates in English (**waiteth**) as wait.

Documented in the *Biblesoft's New Exhaustive Strong's Numbers and Concordance with Expanded Greek-Hebrew Dictionary*, copyright 2006, at reference number 2442, **chakah**, promotes the idea of piercing; to adhere to; to await. **Await** is the same as "wait for" according to *The Synonym Finder* by J.I. Rodale, copyright 1978, on page 83.

From this research concerning the many Hebrew origins of wait, and its English definitions we uncover the nature of this word. It is not only a verb, but is classified as an action verb. Action verbs tell us what to do or what is to be done (*Grammatically Decoding the Bible*, by the Witnesses of יהוה בן יהוה, copyright 2015, on page 75).

With the facts and the nature of wait revealed, we are now in a position to apply all this information to better ourselves individually and our Nation as a whole. In this case, wait does not mean to just stay still and read the Scriptures at face value, but it connotes piercing through the surface of the Scripture by penetrating, analyzing, and becoming informed as to what is really being said. After getting an understanding of what is said, we are now able to make a logical or moral decision as to adhere to the instruction or orders being given from the Scriptures.

As we wait for the Kingdom of יהוה to come, following this study procedure or better yet, the *Ten Step Study Method* of יהוה בן יהוה

could very well give you and your family the spiritual strength needed to endure the coming days during the Day of Judgment. This is possible if you choose to make the right choices.

In light of these facts we will look at one more definition of wait (**chakah**) and how it is used in Bible prophecy. Referenced in the *Noah Webster's 1828 American Dictionary of the English Language*, **wait** means "to stay in expectation; to remain stationary, till the arrival of some person or event."

Daniel, Chapter 12, verses 9 through 12, tells us what is to come and the outcome based on the verb wait, which reads:

*"9 And he said, Go thy way, Daniel: for the words are closed up and sealed till the time of the end.*

*10 Many shall be purified, and made white, and tried; but the wicked shall do wickedly: and none of the wicked shall understand; but the wise shall understand.*

*11 And from the time that the daily sacrifice shall be taken away, and the abomination that maketh desolate set up, there shall be a thousand two hundred and ninety days.*

*12 Blessed is he that waiteth (**chakah**), and cometh to the thousand three hundred and five and thirty days."*

It is unmistakably clear that a blessing will be bestowed upon he who *waits for*, and *comes to* a specific number of days—1,335 to be exact. This period of time encompasses an equally specific but shorter span of 1,290 days that marks the time of desolation set into play by "the abomination." This shorter span of days commence the moment the daily sacrifice is taken away.

**Daily sacrifice** under reference number 8548 is "continual employment" according to the aforementioned *Strong's Concordance*.

These days are also marked by utter **desolation**, which is "destruction, sadness, destitution and waste (as cited in *Noah Webster's 1828 American Dictionary of the English Language*).

Thus, the days leading up to the 1,335 is Biblically called the "*Great Tribulation*," a time when the people are devoid of all creature comforts: having no jobs, no money, losing assets left and right; destitute of clean air, food, water, and land. An era of waste, sadness, and destruction like never before experienced since the beginning of the creation which יהוה created unto this time (Matthew 24:21; Mark 13:19).

It is during these days that one is instructed to remain stationary and unmovable in their faith and belief in יהוה—knowing that His Kingdom is at hand.

The wise in the knowledge of יהוה shall understand what these days represent and know that they are being given an opportunity to make the right choices in being morally clean. On the other hand, those lacking virtue and who continue to do wickedly, will not comprehend the complete devastation that is happening around them. Nor will they understand the ultimate outcome of their choices in doing evil.

In conclusion, when the moral fiber of everyone on Earth is being tried, the verb wait is instructing us to stay in expectation of the days to come, when יהוה Himself shall dwell among His people and there is no more death, neither sorrow, nor any more pain (Revelation 21:3-4).

*We can't wait* for יהוה בן יהוה to bless all who will come through this prophetic time frame. *We can't wait* to receive our blessings! *We can't wait TO WAIT!* Can you?

# BONES NOT TO BE BROKEN

## PART TWO

While using the unique and divine study method developed and taught by יהוה בן יהוה, we discovered in part one of *Bones Not to Be Broken* that the word "bones" means much more than a skeleton in an anatomy class or a dried up carcass. In its spiritual sense, we discovered that bones represent life, a selfsame connection, and an actual kinship with God, יהוה, the Creator of all things.

In addition, based upon sound Scriptural and dictionary sources, we recognized that יהוה בן יהוה is born of, associated with, and kin to the so-called Blacks of America, descendants of slaves, the authentic tribe of Judah. However, He is distinguished

from among them because He, without a doubt, is the Lamb of God—oppressed, afflicted, imprisoned, and sacrificed for the sins of the world.

And lastly, we discussed that יהוה decreed in John, Chapter 19, verse 36, not a **bone** of יהוה בן יהוה, was to be broken. In this Scripture we found out that His **bones** represent the whole house of Israel, all twelve tribes, who are to become "figuratively the **substance**," that is to say, selfsame: body, life, and strength of יהוה בן יהוה.

Now this is where we shall begin part two by answering the question, "what then is the **substance** of the whole house of Israel that is equivalent to the selfsame substance belonging to יהוה בן יהוה that *shall not be broken*?" We will start our answer by looking at the meaning of the word substance. On page 1186 of *The Synonym Finder* by J.I. Rodale, copyright 1978, **substance** is the same as "essence," and on page 366 **essence** equals "spirit," and "truth."

Usually when we hear the words spirit and truth our first impression is to equate them only with the intangible, ethereal concepts; or lofty ideals. But what we want you to know is they are also *real*. Both are essential and must

be infused into the whole house of Israel; so that they may become **one** in spirit and truth with יהוה and יהוה בן יהוה (John 17:21).

With that being said, you must understand that for a long season, the house of Israel had been without the knowledge of the "true" God, יהוה, and their relationship to Him; they had no remembrance of their history as a nation, or their family name; they had been without a teaching Priest and without the law of יהוה (Psalm 83:1-5; 2 Chronicles 15:3).

And for their sakes יהוה בן יהוה have given unto them the words which יהוה gave unto Him to speak, so that they also might be sanctified

through the truth—the Word of יהוה, according to John 17:17-19.

After all, John, Chapter 16, verse 13, states:

*"Howbeit when He, the Spirit of Truth, is come, He will guide you into all truth: for He shall not speak of Himself; but whatsoever He shall hear, that shall He speak: and He will show you things to come."*

יהוה בן יהוה was sent by יהוה, His Father to cause the so-called Black man of America to remember that they are actual blood descendants of God, יהוה, Himself; that they have a common last name, Israel; and that they were taken captive and brought to America, because they and their forefathers had deliberately forsaken the commandments, judgments, laws, and statutes of יהוה. These statements are significant because according to Scripture, it is the Spirit and truth of יהוה בן יהוה that *shall not be broken*.

**Broken**, in John, Chapter 19, verse 36, is transliterated from a Greek word that means shatter, according to reference number 4937, on page 87, of the Greek Dictionary of *The New Strong's Exhaustive Concordance of the Bible*, copyright 1990. *Random House Webster's College Dictionary*, copyright 1997, on page 1189, defines **shatter** as "to weaken or refute."

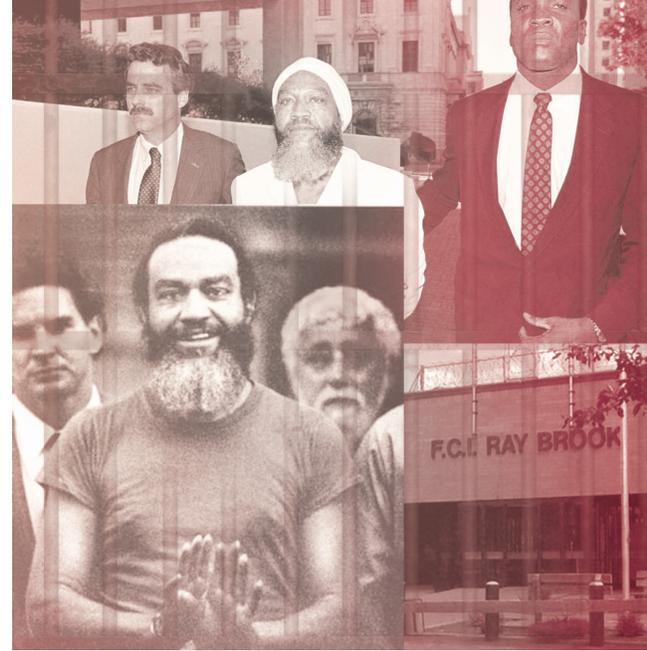

Thus, יהוה בן יהוה has left evidence of His existence in written and visual form to

show Israel and the world that even today His Spirit is not weakened, nor the veracity or truth of His teachings, publications, and sacrifice refuted.

Moreover, John, Chapter 8, verse 32, says that *you shall know the truth, and the truth shall make you free*. In John, Chapter 17, verse 17, we are told that the Word of יהוה is truth, and according to Psalm, Chapter 119, verse 142, the law of יהוה is truth. **Truth** is defined as "a fact accepted as true," and **free** means "subject neither to foreign domination nor to despotic government (*The New Oxford American Dictionary*, copyright 2001, Software Edition).

So when the whole house of Israel actually **hear** the Word of יהוה and accept the teachings of יהוה בן יהוה as true, with obedience to the facts, they shall no longer be subjected to foreign domination, nor to a despotic government ever again (Ezekiel 37:4).

For this reason, יהוה will breathe the breath of life into Israel: put His spirit within them and cause them to walk in His statutes (Ezekiel 36:27; 37:5). This process will enable Israel to possess the self same body, life, and strength of יהוה בן יהוה so that they too may become the sons and daughters of יהוה. Furthermore, this same blessing is extended to all people who choose to receive יהוה בן יהוה along

with them that believe on His name (John 1:12-13).

In summary, these things are taking place now so that the Scripture should be fulfilled: **A Bone of יהוה בן יהוה Shall Not Be Broken!**

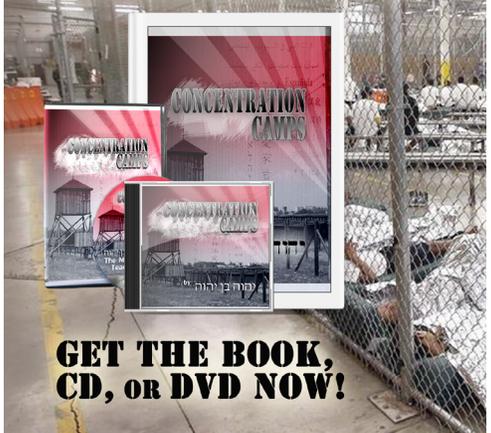

"...THINGS TO COME."

# Has Slavery Truly Ended? Part Five

The harsh conditions and barbaric circumstances of the enslavement of Judah (the so-called Black man of America), and the significance of that enslaved and imprisoned labor force to the United States in the past, as well as today, was detailed in part four of this series.

Now, in part five we will address the questions why was (and is) Judah the only people to be subjected to the cruelty, callousness, and rigor of slavery in the United States, and why is Judah still such easy pickings for the labor schemes of the United States' prisons?

Well, the answer is, יהוה said Judah would suffer this and more for turning away from His laws. יהוה בן יהוה says in the transcript *The Royal Priesthood: Receive The Holy Spirit*, on page 10, that because you, Judah, deliberately disconnected yourselves from the commandments, judgments, laws, and statutes of יהוה "you have become an *astonishment, a proverb; and you have become a byword...*" (This can also be found in 1 Kings 9:7.)

the *Random House College Dictionary*, copyright 1997, on page 1118, is defined as "speech or action intended to cause contemptuous laughter; to make fun of." On page 285, of the same source, **contempt** (the root of contemptuous) means "a feeling of disdain for anything considered worthless; open disrespect for rules or orders of a legislative body."

With that being said, Judah was robbed of his identity during slavery; being called nigger, coon, jig, boy, colored, black, Negro, and African-American. These labels are all popularly known and repeated even today. In fact, Judah's enslavement itself was based upon inaccurate racial distinctions which were used to justify and explain slavery in America.

Moreover, during his enslavement, the so-called Black man became an object of scorn and of inappropriate humorous speech to cause feelings of disdain against him, and to make fun of him. The purpose for this was to reinforce the belief that blacks are considered worthless and to again justify them being mistreated and discriminated against as individuals and as a whole. And after they were "freed," they were made the brunt of widespread, institutionalized, and often secret actions that demon-

strate an open disrespect for the orders or statutes of the United States Congress—the thirteenth, fourteenth, and fifteenth Civil Rights Amendments.

Fearful of Judah becoming powerful politically, educationally, economically, socially, and spiritually with these constitutional rights: freedom (thirteenth Amendment), citizenship (fourteenth Amendment), and voting (fifteenth Amendment), white supremacist fostered “coded race-based language” to move the image of blacks; especially black males, from the laughable, manageable buffoon to the brutish, violent criminal (Smiley and Fakunle, *From “Brute” to “Thug”: The Demonization and Criminalization of Unarmed Black Male Victims in America*, published at [www.ncbi.nlm.nih.gov/pmc/articles/PMC5004736/](http://www.ncbi.nlm.nih.gov/pmc/articles/PMC5004736/)).

This latter portrayal allowed the black man to be removed from society and locked up in prisons under the thirteenth Amendment’s crafty loophole that no man shall be held in servitude except as punishment for a crime. Therefore, the ulti-

mate result is that Judah is still enslaved and forced to work for pennies.

Not only has Judah been made fun of and disproportionately imprisoned as “slave labor,” to add insult to injury, many present-day prisons are actually built on former plantations. For example, “. . . Angola prison was once a nineteenth century plantation. Angola prison, the maximum security state penitentiary of Louisiana is the biggest prison in America. Eighty percent of the prisoners are African-Americans and under surveillance of armed guards on horseback. They still work fields of sugar cane, cotton, and corn” ([blackthen.com](http://blackthen.com) on June 27, 2015). See, slavery has NOT truly ended although it appears to have stopped.

We have shown through convincing documented facts and biblical truth, slavery did not end in America in 1865. Clever wording of the amendment abolishing slavery, and government-sanctioned plots and schemes have allowed slavery to continue in the United States as “a punishment for crime.”

Blacks are labeled criminals, imprisoned, and forced to work in state and federal institutions in skyrocketing numbers for record low wages. Yet, the real reason that

Judah is locked up in such numbers is, that this new form of slavery is only part of his punishment for turning his back on the commandments, judgments, laws, and statutes of יהוה.

But there is hope, בן יהוה יהוה says in the transcript *The Royal Priesthood: The Power of “Divine” Knowledge*, on page 35, that “. . . *all who put their trust in יהוה and His Son, יהוה בן יהוה, will be saved.*” For more information on the divine plan of salvation for the so-called Black man and the world, visit [yahwehbenyahweh.com](http://yahwehbenyahweh.com).

*Now there arose up a new king over Egypt, which knew not Joseph. And he said unto his people, Behold, the people of the children of Israel are more and mightier than we: Come on, let us deal wisely with them; lest they multiply, and it come to pass, that, when there falleth out any war, they join also unto our enemies, and fight against us, and so get them up out of the land. Therefore they did set over them taskmasters to afflict them with their burdens. And they built for Pharaoh treasure cities, . . . And the Egyptians made the children of Israel to serve with rigor: And they made their lives bitter with hard bondage, in mortar, and in brick, and in all manner of service in the field . . .*

# HEALTH AND WELLNESS

## ARE YOU SURE THAT'S FOOD YOU'RE EATING? PART 3

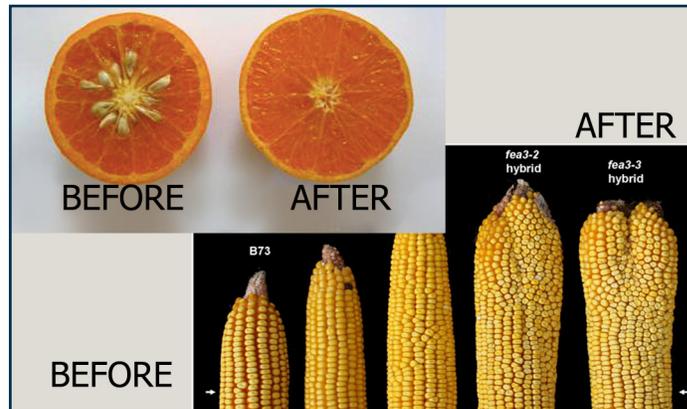

In part two of this series we began answering the questions presented in part one. We offered conclusive proof that man has altered the foods יהוה first created, and has radiated and genetically mutated seeds and plants that are still marketed to us unknowingly as organic.

In addition, we provided substantiated facts that many of our foods have been made unfit for human consumption by the introduction of Monsanto's very popular weed killer Roundup that contains an undesirable ingredient called "glyphosate," which farmers spray on edible crops, thus causing many health challenges to the consumer.

We concluded part two with the statement that all this information is shared because our Redeemer, יהוה בן יהוה, wants us to prosper in health by choosing life sustaining good food over eating foodstuffs that cause death and evil diseases and suffering. But ultimately, the choice is yours.

In hopes of making your choice an easy one, in part three we will answer the last of the questions first queried in part one: Is the food you are eating and drinking today (genetically mutated or modified, containing undesirable ingredients) truly absorbable by your gastrointestinal tract, and is there a connection between absorption and disease? After all, as shown earlier in this series, the adage "you are what you eat," should be rephrased "you are what you absorb."

Well, in answering those remaining questions, the article *The Case for GMOs and Sustainability* published on the Web by the Genetic Literacy Project on June 1, 2015, puts forth that "89% of American scientists polled believe that genetically modified foods are safe." Of course the very fact that this statement is included in the article demonstrates that there is a significant controversy over whether genetically modified foods are really safe and not linked to diseases such as cancer, diabetes, and Alzheimer's.

There are a number of scientists who support the principle that genetically modified foods (GM or GMOs) are not molecularly processed by the human body the same as natural organisms; yet, contrary proponents are championed by the chemical manufacturing giant Monsanto. It is Monsanto's proposition that ". . . since concentrations of proteins, carbohydrates, and other nutrient factors vary among natural crops . . . and GM crops, then these differences are automatically unimport-

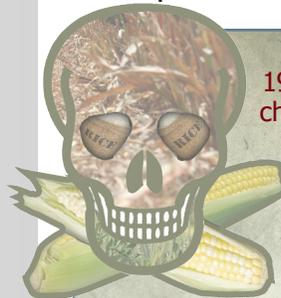

ant in light of GMO safety.” Additionally, “. . . injection of foreign DNA into its GM crops is . . . automatically non-toxic because every other plant also has DNA” (naturalnews.com, *Monsanto: “there is no need for, or value in testing the safety of GM foods in humans,”* January 13, 2012).

However, this simplistic logic is still the subject of an internet battle. At least five scientific studies, identified in an article posted at GMO-Awareness.com, January 20, 2014, *Does Your Body Absorb Genetically Engineered DNA?*, refute Monsanto’s assurances, because in these studies it reveals that while GM substances are broken down in the intestines, pieces of modified genes still survive the absorption process and can “silence human genes” causing premature death and diseases; even passing on genetic defects to future generations.

So what is the conclusion? While differing views are bantered back and forth, the reality remains that food created by יהוה no longer fits the description found in Genesis 1:11-12, “. . . the herb yielding seed, and the fruit tree yielding fruit after his kind, whose seed is in itself, upon the Earth,” seen by its Creator as “good.”

There you have it. Want to investigate further? Want to be confident that that’s really food you are eating? That your food is in fact life sustaining, good, non-GMO, and free of undesirable ingredients? Then you must begin your research by learning

more about the commandments, judgments, laws, and statutes of יהוה concerning what to eat and not to eat by visiting our on-line bookstore at [www.yahwehbenyahweh.com](http://www.yahwehbenyahweh.com). It is sure to be an enlightening mental and spiritual meal. Bon appétit!

1920s: Monsanto expands into industrial chemicals and drugs, becoming the world’s largest maker of aspirin [or] acetylsalicylic acid (toxic of course). The world’s center of PCB manufacturing was Monsanto’s plant on the outskirts of East St. Louis, Illinois which has the highest rate of fetal death and immature births in the state.

1960s: Monsanto, along with chemical partner-in-crime DOW Chemical, produces dioxin-laced Agent Orange for use in the U.S.’s Vietnam invasion.

1970s: Monsanto partner, G.D. Searle, produces numerous internal studies which claim aspartame to be safe, while the FDA’s own scientific research clearly reveals that aspartame causes tumors and massive holes in the brains of rats, before killing them.

1985: The known effects of aspartame ingestion are: mania, rage, violence, blindness, joint-pain, fatigue, weight-gain, chest-pain, coma, insomnia, numbness, depression, tinnitus, weakness, spasms, irritability, nausea, deafness, memory-loss, rashes, dizziness, headaches, seizures, anxiety, palpitations, fainting, cramps, diarrhea, panic, burning in the mouth. Diseases triggered/mimicked include diabetes, MS, lupus, epilepsy, Parkinson’s, tumors, miscarriage, infertility, fibromyalgia, infant death, Alzheimer’s [etc.] Source: U.S. Food & Drug Administration.

1994: The FDA once again criminally approves Monsanto’s latest monstrosity, the Synthetic Bovine Growth Hormone (rBGH), produced from a genetically modified E. coli bacteria, despite obvious outrage from the scientific community of its dangers. Of course, Monsanto claims that diseased pus milk, full of antibiotics and hormones is not only safe, but actually good for you!

2000s: The global terrorism spreads to India as over 100,000 farmers who are bankrupted by GMO crop failure, commit suicide by drinking Roundup so their families will be eligible for death insurance payments.

## The Lord, יהוה בן יהוה, Reigneth

Do you mind if I take the time as I try to  
wrap my mind around the fact that  
יהוה בן יהוה reigneth?

Do you mind if I take this time to testify of  
His love to lay down His life  
pick it up again and reclaim it?

Do you mind if I take this time to recognize  
that at this very hour  
our Lord and Savior, יהוה בן יהוה, is  
coming into power?

Some may be amazed and say what kind of  
Man is this?  
Giving the appearance that He was defeated  
and no longer exists

However, Titus 2:13 contradicts this  
A strategic move made by The King of  
kings—יהוה בן יהוה who is very  
much in our midst

Let me take you back for a moment to  
remind you of this

His salt and pepper hair adorned with a  
diadem of wisdom

Sealed with the name of His Father, יהוה, in  
the center of His dome

Draped in a raiment of light—the purest and  
finest white linen

Nodding His head in approval with an  
unexpressed “Shalom”

A twinkle from His ocean-colored eyes  
that gaze at how much His children have  
spiritually grown

Regally taking His place on His heavenly and  
majestic throne

Fair to look upon from His face to His  
manicured hands

Gripped and enclosed, is a staff in one hand

His beard beautified with charcoal and  
silver strands  
Not one hair out of place—even they obey  
His every command

Oh Yes! This is the same Man  
Who by His pleasure—as the Word made  
flesh will take up another body

Anointed with power that goes beyond  
measure

Stealth to the feeble minded and  
unrecognizable to those slow to believe

Yet identifiable no matter what vessel He  
chooses—His Spirit of righteousness is what  
His chosen will perceive

Clothed in His majesty—His robe  
and cloaked with nobility

The supernatural power emanating from His  
rod of iron which will govern the heathen  
who will buck with hostility

The Lord, יהוה בן יהוה,  
reigneth...Oh yes indeed

Gathering the little kings of the Earth while  
bringing America down to her knees

יהוה בן יהוה must reign until He puts all  
enemies under His feet

Stepping to all unrighteous nations  
they are as His footstool  
He tells them to their face,  
“You are guaranteed defeat!”

While righteously judging the people of the  
Earth from His mercy seat

Calling forth the remnant across the Earth

to the isles—no child left behind—but I am  
talking about His Elite

This is the season of the ingathering of יהוה  
בן יהוה—through His magnetism—the first  
fruits—the reward of His labor

All those that germinated from the good  
seed who believe on His name as their Lord  
and personal Savior

At the time of His ascension is when it all  
went down

Kneeling before the Father, יהוה—tilting His  
head to wear the crown

Accepting all responsibility with one wave of  
His righteous hand

My Daddy, יהוה בן יהוה—Oh He is  
a good Man

The signs of His power are self-evident  
running rampant throughout the land  
Let me put it in terms that the simple  
minded will understand

When businesses shut down with  
major layoffs

The Lord, יהוה בן יהוה, reigneth!

When the deceptions of bankers are revealed

The Lord, יהוה בן יהוה reigneth!

When uncertainty sets in the minds of the  
people about the flip flopping economy

The Lord, יהוה בן יהוה, reigneth!

When the panic of famine pierce the belly of  
the people

The Lord, יהוה בן יהוה, reigneth!

When the funny colored money is no longer  
accepted in other countries

The Lord, יהוה בן יהוה, reigneth!

When the gas prices rise to \$5 a gallon

The Lord, יהוה בן יהוה, reigneth—Oh He  
proclaimed it

Family these are signs for you and I to  
know that this is the *Second Coming—the  
Bridegroom comes quickly*

To establish the Kingdom of Heaven—a  
government that is based upon theocracy

The Prince of Peace is the One found worthy  
to call the shots—He has the upper hand

The government shall be on His shoulders—  
it is all going according to His divine plan

The Kingdom of יהוה shall be established, it  
shall not be moved—let the Earth sing

All nations shall gather at His feet to show  
reverence to our King

Hear Ye Him this day family—Say among the  
heathen that the Lord,  
יהוה בן יהוה, doth reign

Appointed as the Head of the Kingdom of  
יהוה bypassing any form of campaign

Our Lord, יהוה בן יהוה, reigneth say it with  
a loud voice

The Lord, יהוה בן יהוה, reigneth—let the  
inhabitants of the Earth rejoice!
